Connect to your Caravan/RV audio system for improved audio presence.

Connect your headphones and immerse yourself without disturbing others.

Connect your speaker to allow for a greater audio experience.

Designed for caravans, RV's and other mobile applications. The AX19BT series are a 12/24V HD LED TV that support a wide choice of media inputs, which allows enjoyment of movies, music, photos and more via DVD, CD, USB or an external source unit. Users are able to control live TV via the PVR & Timeshift functions. The AX19BT series are also built to resist moisture and handle vibrations experienced when on the move.
