

CC 70M

1/3" HEAVY DUTY CCD CAMERA with AUTO SHUTTER

Auto Shutter (Closed)

The CC70M is designed to excel in tough environments, making it ideal for use in 4WDs, trucks, and heavy-duty applications in 12-24V vehicles. One standout feature is its motorized shutter, which ensures that the lens and camera window remain clean, preserving the high image quality. Additionally, the shutter automatically opens when the reverse gear is engaged, providing seamless operation and convenience.
