

FHD410

1/3" FULL HD MULTIFIT CAMERA

The FHD410 assures peace of mind and confidence when reversing with its compact and efficient design. This 12 Volt rearview camera can be conveniently mounted on the side or rear of your vehicle. With its 1/3" Full HD resolution, you can expect clear visuals at all times. The camera's IP69K weatherproof chassis ensures durability and protection from harsh weather conditions. Additionally, it is equipped with six infrared LEDs that enable superior night vision. You can easily adjust the camera's orientation to suit your needs. Say goodbye to uncertainty while reversing, as the FHD410 guarantees a safe and reliable experience.
