- *Dual Mounting Heads for Universal Installation*

12VOLT

4.3<sup>inch</sup> LCD  
MONITOR

[audioextra.com.au](http://audioextra.com.au)

2YEAR WARRANTY

INCLUDED IN THE BOX

JS043K

The JS043K discreetly clips over the existing mirror of your vehicle and automatically activates the mini camera when reverse gear is selected. This provides a clear image for the driver and protects children, pedestrians and assets, preventing injury and avoiding costly repairs for dents and other damage when reversing. The 2nd video input allows for a second camera or multimedia/navigation/DVD input.

Dual Mounting Heads for Camera
