CONFORMAL
COATED
CIRCUIT BOARD

Designed specifically for caravans, RV's and other mobile applications; the SUN22BT 12/24V FHD LED TV is built to resist moisture and handle vibrations experienced on the move. Choose from multiple media options such as DVD, CD, USB, an external source unit, or control live TV via the PVR & Timeshift recording functions. With built-in Bluetooth, you have the flexibility to stream audio from the SUN22BT to other devices, enhancing your entertainment experience.
